

DM16

The compact DM16 honours your stage or studio desktop space, while providing incredible sonic performance, amazing versatility – and an unheard of level of affordability. What is the secret behind DM16’s superb, studio-quality sound? The DM16 features 12 award-winning, MIDAS microphone preamplifiers with true +48 V Phantom Power, acclaimed by audio engineers the world over for their transparency and nuanced low noise, high-headroom design. Add to this TRS Line Inputs on all 16 channels (8 mono and 2 stereo), mono channel Inserts and 3-band EQ with mid-frequency sweep, 2 switchable pre/post-fader aux sends, 2 monitor outs and 2-track RCA I/O, and you have an analogue work of art – the fully featured DM16!
