

BA 19A

Condenser boundary microphone for acoustic instruments. Frequency response for kick drums, piano and bass-heavy instruments. Integrated preamplifier for outstanding signal integrity. Half-cardioid polar pattern minimizes background noise and feedback. Switchable filters for stronger lows and high-frequency attack. Extremely high signal output which lets the sound cut through. Requires no external mounting. Impact-resistant carrying case included.

Manufacturer Name:	BEHRINGER
Model:	BA 19A
