EVOLVE30M-G2

Go louder for bigger crowds, and travel lighter between gigs. The classic EVOLVE column, now in its second generation, delivers more output, more range, and more control. EVOLVE 50 G2 stacks a 12-inch subwoofer and a column of eight 3.5-inch drivers into one 1,500 W system, all of it wirelessly controlled via the QuickSmart App. What hasn't changed is the setup. The pole seats on a magnet, the array locks by gravity, the signal routes inside. What's new is higher output of up to 129 dB, improved portability, and more DSP options. Like every EVOLVE G2 model, it adds extended Bluetooth range, switchable 48 V phantom power, and QuickSmart Link for stereo setups. Built for DJs, bands, production companies, event organizers, and venues.

Manufacturer Name:	ELECTROVOICE
Model:	EVOLVE30M-G2
Part Number:	Z01X002622
Speaker Category	All In One Systems
Speaker Type	Active
