

QUINTESSENCE HARMONY

Quintessence Harmony is a state-of-the-art intelligent harmony pedal featuring expressive MASH technology and powerful TonePrint customization. Beefing up your sound in any musical style from country or southern rock harmonies to Thin Lizzy-esque twin riffs and screaming metal leads, Quintessence follows your every whim with perfectly harmonized notes in a wide variety of modes and scales. With MASH, Quintessence can bend the harmonized notes without you moving a finger, momentarily harmonize just a few bars or notes and with our proprietary TonePrint technology you can even choose exotic scales and custom intervals for harmonies. With up to 2 perfectly tracking harmonies and an intuitive, straightforward design. Quintessence simply sounds stunning.
