

Cover Set WH OH 75 optional accessories, cover The WH OH 75 cover set is an optional accessory that can be combined with the WH OH 75 (Item no.: 5866) and the outdoor monitors of the Samsung OH 75 series. The cover protects against unauthorized access and provides an aesthetic wall closure. Display optimized ventilation openings ensure sufficient ventilation and prevent against heat up. The cover set can be used in either portrait or landscape orientation. Thanks to a highly weatherproof and also corrosion resistant plastic powder coating in black (RAL 9005), the cover set is suitable for an ambient temperature range of -30° C to +50° C.
