RC-208

US

EU / UK

C−208 is a compact 8−button control keypad that fits US, European and UK standard 1−gang wall junction boxes. Easy to deploy, RC−208 fits decoratively within a room design. It is perfectly suited for use as a user interface keypad within a Kramer Control system. Using K−Config, tap into the rich, built−in I/O interfaces that enable this keypad to be used as a flexible, standalone room controller. In this way, it is ideal for classroom and meeting room control, providing end−user convenient control of complex multimedia systems and other room facilities such as screens, lighting and shades. Multiple keypads can be linked together side−by−side or at a distance, via a single K–NET™ cable carrying both power and communication, providing uniform design and user experience.
