

HORIZON

Over 70 audio plugins for music production professionals, featuring precise models of vintage EQs and compressors, effects, mastering tools and more. CLA Classic Compressors. Kramer Tape, Tubes & Transistors. JJP Analog Legends. Vocal Rider. Bass Rider. The L3 & L3-16 Multimaximizers. All these, and many more, are part of Horizon. As a music production professional, there are certain things you just can't live without: A good room. Good mics. Good monitors. Good music. And Waves. You need versatile mixing tools that bring out the best of each and every performance. You need the warm, incomparable sound of vintage compressors for punch and power. You need precision-modeled EQs that add color and character. And you need state-of-the-art mastering processors to give your projects that final shimmer and shine.
