

ROOT BAR 6

The compact LED bar (available in three versions) offers flexible positioning and a Magnetic Quick Alignment System for seamless multi-unit setup. It includes frost and neon tube filters plus a glare shield for versatile effects. Control via DMX or W-DMX (iDMX Stick optional), with EZchase® DMX delay for dynamic chases and 16-bit dimming for smooth transitions. Featuring high-performance RGBWA-UV LEDs and Seetronic power & DMX I/O for daisy-chaining, it's perfect for professional lighting setups.
