

FLOW 8

High headroom digital mixer with wireless remote control. FLOW App for Bluetooth remote control from iOS/Android mobile phones or tablets. 60 mm channel faders and master rotary control with LED collar. EZ-GAIN function analyzes the signals in your application and automatically sets the gain for optimum headroom. Two Midas microphone preamps with 48 V phantom power and programmable gain. Two additional mic/line inputs on combo XLR/TRS jacks. Two pairs of balanced stereo line inputs, each featuring a Hi-Z jack for direct connection of guitar/bass. All channels with 4-band EQ and compressor, 2 FX and 2 monitor sends, while monitor and main buses feature 9-band EQ and limiter. Two independent studio-grade effects engines, each with 16 presets including reverbs, delay and modulation effects. Built-in 10 x 2 channel USB computer audio Interface, with 48 kHz / 24-Bit resolution. Bluetooth audio streaming for adding click or backing tracks to your performance, or for playing music during a break. Balanced main outputs on gold-plated XLR and balanced monitor outputs on 1/4" TRS. FLOW App with assisted set-up, unlimited mixer snapshots and intuitive, customizable Stage-View. FX adjustment control, FX mute and tap tempo buttons. Footswitch input for controlling FX mute/tap tempo or preset up/down functions.
