

XDJ-RX3

**Pioneer Dj**

The XDJ-RX3 boasts flexibility and practicality while packing in a host of features that come straight from the club-standard CDJ-3000 multi player and DJM-900NXS2 mixer. With the brand-new 10.1-inch touch screen, you can instinctively browse playlists, mix tracks, and apply effects, and the unit's refined design brings a pro look to your setup. The 10.1-inch touchscreen is the largest ever on a Pioneer DJ all-in-one system. It features a high resolution and frame rate so you'll see everything clearly, including the smooth waveform.
