

26075

Black microphone stand on a flat, round cast-iron base with a clever cut-out design that allows stacking of up to five stands. With a base diameter of 278 mm, a solid weight of 2.96 kg and a two-piece folding rod. Height adjusts smoothly from 1,060 to 1,790 mm with the Soft-Touch, one-hand clutch, Finished with a 3/8" threaded connector for broad compatibility.
