

VOICELIVE 3 EXTREME

TC HELICON

VoiceLive 3 Extreme sets you free to focus solely on your performance with groundbreaking FX automation and backing track playback. Awe-inspiring vocal effects and rich guitar sounds run effortlessly by themselves. From the first song idea to the execution of complex live arrangements, everything you've worked for comes together in VL3X. Backing track import with FX automation for "tap-dance free" performances, synchronized to tracks. Performance recorder for live direct 24-bit audio, output to a USB flash drive. A complete vocal sound with next generation harmony processing, effects and tonal quality. Complete guitar sound via TC Electronic stomp box effects, Amp Tones and flexible outputs to your amp or PA. Powerful 3-phrase looping lets you create and store entire songs on-the-fly.
