

C210B

Modular column loudspeaker with Battery for portable PA applications and high quality music playback. Extremely wide sound dispersion provides consistent sound to the audience and performers. 200 Watt power with multi-channel Class-D technology. High quality Bluetooth* audio streaming. MP3 player included to play audio files via USB sticks and SD/MMC cards. LED lighting creates club-style atmosphere. Comprehensive remote control included for ultimate flexibility. 3 channel mixer with individual gain controls. Studio-grade echo adds finishing touch to your sound. Intuitive user control interface with LCD display for ease of navigation. 8" high excursion low frequency driver for strong sub-bass response. 4 x 2.5" drivers with edge wound copper voice coils for extended high frequency reproduction. Precision-lock system eliminates speaker cables and stands.
