

PMP500MP3

Ultra-compact 500 Watt 8-channel powered mixer. Enormous power, incredible sonic performance, and super-lightweight. High-performance MP3 player included to play audio files via USB stick. Studio-grade stereo reverb adds finishing touch to your sound. "Wireless-ready" for high-quality BEHRINGER digital wireless system (not included). Broadcast-like Voice-Over-Priority Function dims music when microphones are used. 8-channel mixer section features 4 mic/line and 2 stereo channels. 4 high-quality mic preamps with switchable +48 V phantom power for condenser microphones. Effective and extremely musical 2-band EQ on all channels. Music/Speech switch to set overall system equalization. Auto limiter prevents overload damage to power amplifier and speakers. Mic stand adapter fits standard 5/8" and 3/8" European threads (included).
