

PHW100

EIKON

EIKON PHW100 is a low-noise, in-line microphone preamplifier that provides power supply for headset and lavalier condenser microphones. The electronics are housed in a metal chassis with a balanced mini 3-pin female XLR input and a balanced 3-pin male XLR output. It is suitable for use at home, in the studio, on tour, and more. Connect PHW100 to a balanced microphone cable and plug it straight into the microphone. Switch on phantom power and enjoy your music. Suitable for use with the following EIKON microphones: HCM14EK, HCM12EK, HCM10V2, HCM08PRO, HCM25AK, HCM23AK, LCH370, LCH100AK.
