

A10i WIDEW

A10i WideW is the installation version of the A10i Wide in white color, designed for medium throw installation applications. A10i Wide shares identical sonic performance with its touring counterpart but features a sleeker design and streamlined mounting hardware for greater integration. The 30° enclosure of A10i Wide enables a compact array to provide expansive coverage while preserving sightlines. Panflex allows users to adapt directivity to the audience geometry and ensures exceptional frequency response stability.
