

EVID 4.2T

Electro-Voice

The EVID 4.2 is perfect for a variety of environments where full-range audio is needed in a limited space: restaurants, bars, bistros, department stores, and outdoor venues. The 4.2 offers the bass response of a much larger speaker, and dual, four-inch woofers make the 4.2 a phenomenal performer. Its one-inch waveguide-coupled, titanium tweeter delivers controlled, clean mids and highs. Combine it the 4.2 with the EVID 12.1 subwoofer for an amazing listening experience. Full system protection and EV's unique Strong-Arm Mount™ (SAM™) make the EVID 4.2 a solid choice for any environment.
